

Dear:

I hope that you are doing well. I am writing you today to ask for your help with something that is very important and special to me. My church, Patmos Chapel, which I love dearly, is in a very serious financial situation. The problem is that we are strapped with such large mortgage payments, that it is affecting our ability to perform our true mission, which is ministry and service. The Lord has made it very clear to us that we must break the strangle hold of this debt immediately, and He has given us a specific plan for how to do it. By following His plan, we will be completely out of debt in only two (2) years!

This is where I need your help. I have personally pledged \$125 per month for the next 24 months, or a total of \$3000 over that period. I am asking 10 people to please help me accomplish this by each pledging just \$12.50 per month (only \$300) for the next 24 months. I know that \$12.50 per month may not seem like very much, but with you being one of my 10 people, it will allow me to accomplish my commitment of \$3000.00 to the elimination of our debt. Would you please consider being one of my 10 people? Some people prefer to write one check up front for \$300, as opposed to writing small checks each month. Either way is perfectly fine. I am just excited about being able to do my part in helping to completely eliminate our debt. The check each month or the one time check should be made payable to Patmos Chapel DE (debt elimination) and returned along with the numbered coupon for that month from the enclosed sheet to either myself or Patmos Chapel SDA Church, P.O. Box 656, Orlando, FL. 32790-656

Please prayerfully consider helping me meet my pledge commitment. I know that if you give this small amount of \$12.50 per month, God will return it to you many times over. That is the way He always works. Thank you for your consideration and I will call you in a few days to see if I can count of you to be one of my ten people.

Sincerely,
